Subject: RE: Follow-up | USG Incentive Plan Review – Survey, Presentation & Submission Links

Hello,

Thank you to those who were able to attend today's **USG Incentive Plan Review Updates** session.

You will find the slide deck attached to this email. A recording of this session can be found [here](#) for those who were unable to attend. Remember, your award submissions are due no later than **Friday, August 21, 2020**.

When you are ready, [click here to complete your FY21 Incentive Award submission](#).

We will have the new award types updated by end of business today. Feel free to submit new awards and reach out to me directly if you need to edit what was already submitted.

Timeline:

August 24 - 27, 2020,

once all awards are received GTHR will develop a master spreadsheet that list the awards and award types per unit and/or department. I will share that list with the listserv to ensure we have captured all awards for FY21 submission and I will reach out directly to units to collect any additional information or edits needed to their submission.

August 28 - September 3, 2020,

the entire award submission package (all awards and updated university policy) will be submitted to the executive leadership team for review.

September 7, 2020,

the submission package will be submitted to the University System of Georgia (USG) for annual review and approval.

I look forward to engaging with you, please don't hesitate to contact me if you have additional questions or need assistance.

Thank you,
