Educational Assistance Application Deadlines

For TAP and STRAP Participants
When the 15th is on a Saturday or holiday, applications are due on the business day prior. Applications submitted and approved after the deadline will not be accepted.

For STRAP Participants only
You must fill out a STRAP application based on your prospective school's start date. If your school has a “Winter” term that begins in October then you will need to fill out a Fall TAP application because that “Winter” term falls within GT Fall Semester dates.
Educational Assistance Academic Certifications

Academic Certificate Programs are programs that provide students with academic credit and a letter grade. Professional certifications or continuing education certifications do not provide academic credit and a grade.

• TAP Participants should check with TAP Coordinators at the USG institution that they are attending to verify TAP eligibility

• STRAP Participants and employees enrolled in TAP at Georgia Tech should contact:

_Administrative Service Center_ at (404) 385-1111 or submit a Request Help ticket at [asc.gatech.edu](http://asc.gatech.edu)

• Must offer credit hours and grades to receive tuition waiver
TAP is offered by the Board of Regents - University System of Georgia

Who can participate:

- Full-time, (1.0 FTE) benefits-eligible employees who have successfully completed at least six (6) months of employment in a benefits-eligible position as of the date of the Tuition Assistance Program application deadline for the desired academic semester.
- May enroll in up to nine (9) academic semester credit hours for each of the three (3) designated semester periods: fall semester, spring semester, and summer semester.

Frequently Asked Questions

• **Am I required to work for Georgia Tech after I graduate?**
  - TAP and STRAP do not include an employment requirement post-graduation. However, GTRI requires you to stay with Georgia Tech for two years post-graduation.

• **May I take more hours than what’s covered?**
  - Yes! But keep in mind, you are financially responsible for hours exceeding guidelines: TAP - 9 credits; STRAP - 6 credits.

• **What happens if I withdraw from a class?**
  - You must earn a grade of "C" or higher to continue participating in TAP or STRAP. Dropping a class before the withdrawal deadline does not disqualify you. However, withdrawing from a class after the deadline and receiving a "W" or "WF" will make you ineligible for TAP for one-semester. Grades lower than a "C" including "Ws" are not reimbursable under STRAP.

• **Where can I find more info about schools/curriculums of interest?**
  - TAP: The USG TAP website provides the contact info and registration dates for all USG institutions.
  - STRAP: Your favorite search engine.
Frequently Asked Questions

• May I take online classes using TAP?
  • Yes

• I want to return to school but am uncertain of my options. Can you recommend schools based on the programs/interests I want to pursue?
  • Please talk to an academic advisor, we cannot offer advice on specific programs.

• I am a TAP participant, and my account is still showing I owe the full balance. How do I get this resolved?
  • Waivers are applied by the school you are attending. They do not instantly appear on your account.
  • Georgia Tech students should see their TAP waivers shortly after finalizing schedules.
  • If you’ve adjusted your class schedule, please allow up to 24 hours for the system to update. If your waivers have not been applied by the first day of class, please contact our office.
  • Those attending other USG institutions may or may not see their waivers applied before classes have begun, or as late as after the drop/add date. Please contact your teaching institution to better understand their specific timeline.
Frequently Asked Questions

• I am a TAP participant but was charged the out-of-state tuition rate. How do I get this resolved?
  • The Office of the Registrar handles residency status. University System employees are eligible for an out-of-state waiver via an application submitted to the Office of the Registrar. Any employee whose resident status is classified as out-of-state must have this resolved prior to enrollment to be eligible for in-state tuition rates.

• What if I don’t know what I’m going to take, or the classes I want are full?
  • Complete your application in its entirety and make your best prediction at which courses you intend to take.
  • If your plans change:
    • Submit a Request Help ticket at asc.gatech.edu
