DocuSign Instructions for Award & Incentive Payment Requests

These forms should be completed by the person who is authorized to request an award or incentive payment. If you are accessing these forms, you have an award recipient who needs to be paid. You must complete one form per award recipient.

Completing the payment request form in DocuSign is the first part of a two-part process. Once completed, the DocuSign form will need to be saved as a pdf and attached to the supplemental payment request in OneUSG Connect.

Please read these instructions in their entirety before proceeding to DocuSign to complete the form. For your convenience, keep the following instructions visible as you complete the form.

Before you begin, you will need the following employee information to complete the form:
- Employee's Legal Name (Use name listed in PeopleSoft. Do not use nicknames)
- Employee ID
- Home Department Number (i.e. 820)
- Worktag for Payment
- Employee's Annual Salary
- Employee’s Pay Frequency

IMPORTANT: You will also be required to attach all supporting documentation (i.e. nomination packet, award information, justification for award recipient, etc.) All attachments should only include the award recipient’s name. For example, if a group receives the award, other group members should not be listed. Please redact any additional names.

Step 1:
You will be required to log into DocuSign. Please use your standard GT login i.e. gburdell3@gatech.edu.

**Recipients**

**Step 3**

**As the sender, your name will auto populate as the first recipient.** For each additional Georgia Tech recipient, please choose the address book icon to ensure the recipient signs in with Georgia Tech credentials. This will allow them to track the progress of your document and access your request in DocuSign.

If a recipient is not required (e.g. Committee member), remove this routing entry by clicking the “X” to the right of the recipient box.

**Note:** If the award amount exceeds $10,000, the *Requesting Sr. VP/Pres./Chief of Staff* recipient signature should **not** be removed.
Once you remove a recipient the form will ask if you wish to proceed by also eliminating any fields assigned to that person.

Select “DELETE”

**Step 4**

**IMPORTANT:** Include the award recipient’s name in the subject line of your email. You will need to type that in manually. Including the employee’s name lets recipients know who the request is for.
Step 5

When you scroll to the bottom of the screen, you will see a check a box to create custom email and language for each recipient. If you wish to send customized messages, check the box and write an email message.

Step 6

Once you have entered all required recipients and any optional email message information, select “SEND.”
After clicking SEND, the document is electronically routed via email to each recipient. You, as the sender and first recipient, will complete the form in DocuSign (via the email link you receive or in your DocuSign account).

When you complete the form, you will notice the other recipients’ names are not yet listed on the form. However, their names will autofill when they open the form.

When all recipients have finished signing the document, everyone will receive a PDF copy of the signed form via email attachment. Save the attachments since DocuSign only retains documents for 6 months.
