Tax Implications for TAP Participants

The federal government currently allows up to $5,250 annually in employer-provided educational assistance benefits to be “tax free.”

- Applies to undergraduate and graduate-level courses.
- Educational assistance benefits in excess of $5,250 are taxable and will be reflected in Box 1 of your W-2.
- Consult a tax professional if you have questions.

Review your account each time you register, and monitor TAP waivers for the calendar year. See TAP Tax Schedule on GT TAP website.
The Staff Tuition Reimbursement Program (STRAP) is offered by Georgia Tech.

Application Process:
1. Initiate student admission process with non-USG accredited, private institution.
2. Complete STRAP application using Docusign by the applicable deadline, but not more than 30 days prior to the deadline.
3. Class start date should fall within the Georgia Tech semester that you are applying. (See STRAP Dates)
4. Class names and dates should be same on application and transcript.
5. Email confirmation of receipt will be sent within 24 hours.

***STRAP may be processed no more than three times annually per participant***
You must fill out a STRAP application based on your prospective school’s start date. If your school has a “Winter” term that begins in October then you will need to fill out a Fall TAP Application because that “Winter” term falls within GT Fall Semester dates.
• Reimbursement rates are:
  • Undergraduate: $203.00/credit hour
  • Graduate: $287.00/credit hour
• Submit the following to HR within 30 days of completion of term/class:
  • Official/original transcript
  • Copy of paid tuition statement (must include name, term and amount paid with a zero balance)
• Reimbursement requests processed within two weeks of receipt.
• If you have two classes in two (of your school’s) terms that fall within one Georgia Tech semester, then turn in your reimbursement documentation after the last class/term. For example: If you take one class during your school’s Fall term that starts mid August for 8 weeks and then take one class during your school’s Winter term which starts at the beginning of October, for 8 weeks, then turn in your documentation after the October class/Winter term because that will all fall within GT’s Fall semester. You only get one reimbursement per semester.
Applications collected. Confirmation of receipt emails sent.

Eligibility and funding is reviewed.

FREQUENTLY ASKED QUESTIONS

Am I required to work for Georgia Tech after I graduate?

TAP/STRAP do not include an employment requirement post-graduation. However, GTRI requires you stay with Georgia Tech for two years post-graduation.

May I take more hours than what’s covered?

Yes! But keep in mind, you are financially responsible for hours exceeding guidelines: TAP - 9 credits; STRAP - 6 credits.

What happens if I withdraw from a class?

You must earn a grade of "C" or higher to continue participating in TAP or STRAP. Dropping a class before the withdrawal deadline does not disqualify you. However, withdrawing from a class after the deadline and receiving a "W" or “WF” will make you ineligible for TAP for one semester. Grades lower than a “C” including “Ws” are not reimbursable under STRAP.
Where can I find more info about schools/curriculums of interest?

TAP: The USG TAP website provides the contact info and registration dates for all USG institutions.

STRAP: Your favorite search engine.

May I take online classes using TAP?

Yes.

I want to return to school, but am uncertain of my options. Can you recommend schools based on the programs/interests I want to pursue?

Our office is only staffed to handle administrative aspects of tuition assistance and cannot offer advice on specific programs.
I am a TAP participant, and my account is still showing I owe the full balance. How do I get this resolved?

- Waivers are applied by the school you are attending. They do not instantly appear on your account.
- Georgia Tech students should see their TAP waivers shortly after finalizing schedules.
- If you've made adjustments to your class schedule, please allow up to 24 hours for the system to update. If your waivers have not been applied by the first day of class, please contact our office.
- Those attending other USG institutions may or may not see their waivers applied before classes have begun, or as late as after the drop/add date. Please contact your teaching institution to better understand their specific timeline.
I am a TAP participant, but was charged at the out-of-state tuition rate. How do I get this resolved?

The Office of the Registrar handles residency status. University System employees are eligible for an out-of-state waiver via application submitted to the Office of the Registrar. Any employee whose resident status is classified as out-of-state must have this resolved prior to enrollment to be eligible for in-state tuition rates.

What if I don’t know what I’m going to take, or the classes I want are full?

• Complete your application in its entirety and make your best prediction at which courses you intend to take.

• If your plans change:
  • STRAP participants must send an email to our office notifying us of the change when the change occurs, prior to submitting reimbursement documents.
  • TAP participants attending other USG institutions must notify their teaching institution's TAP coordinator if enrolling in classes not listed on TAP application.
TOP 3 THINGS TO REMEMBER

1. Fill out application in its entirety
2. Turn it in on time!
3. Register only during TAP registration period
